CONCEPT REDESIGN

A leaking tap, and the site wants a form.

We would make it one tap to call. Here is the redesign.

FICTIONAL BUSINESS · NOT A CLIENT PROJECT

BEFORE

A form, not a phone call.

01 **Stock photo hero**

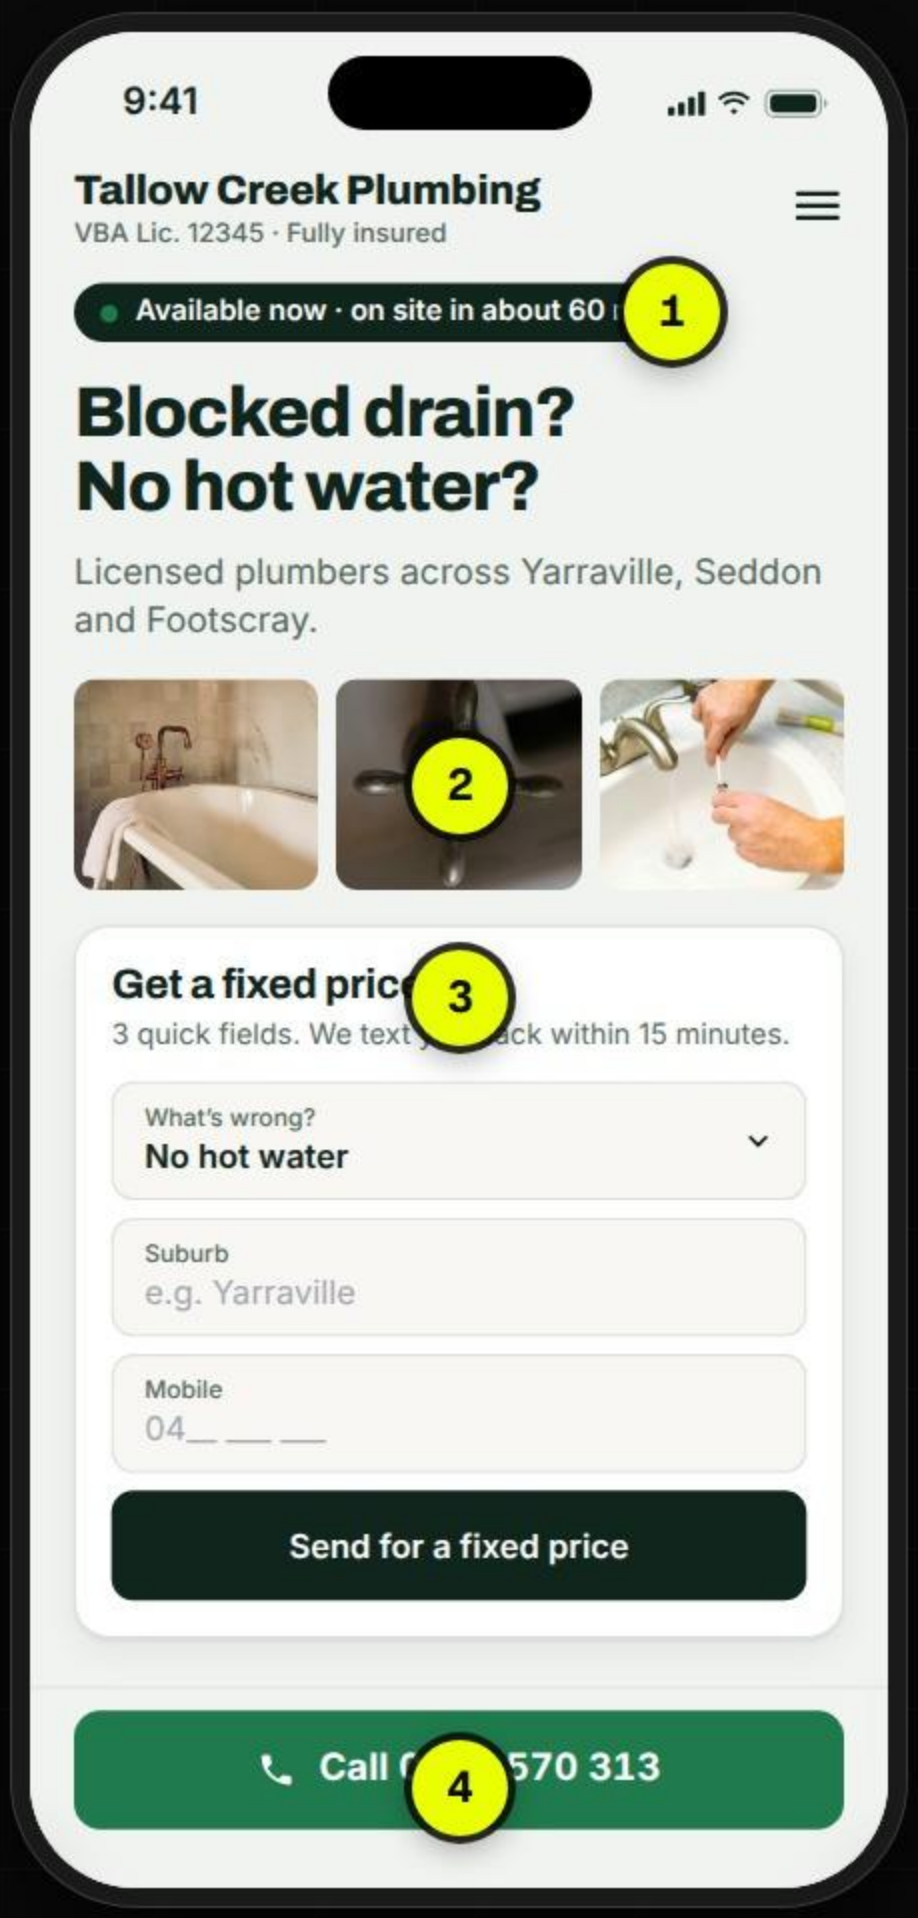

A handshake image, not real work.

02 **Ten-field quote form**

Too much to fill in on a phone.

03 **Reply in 2 to 3 days**

Slow when water is running now.

AFTER

Calling takes one tap.

01 Available now, up top

They see you can come today.

02 Real jobs, real photos

Actual work, not stock images.

03 Three fields, not ten

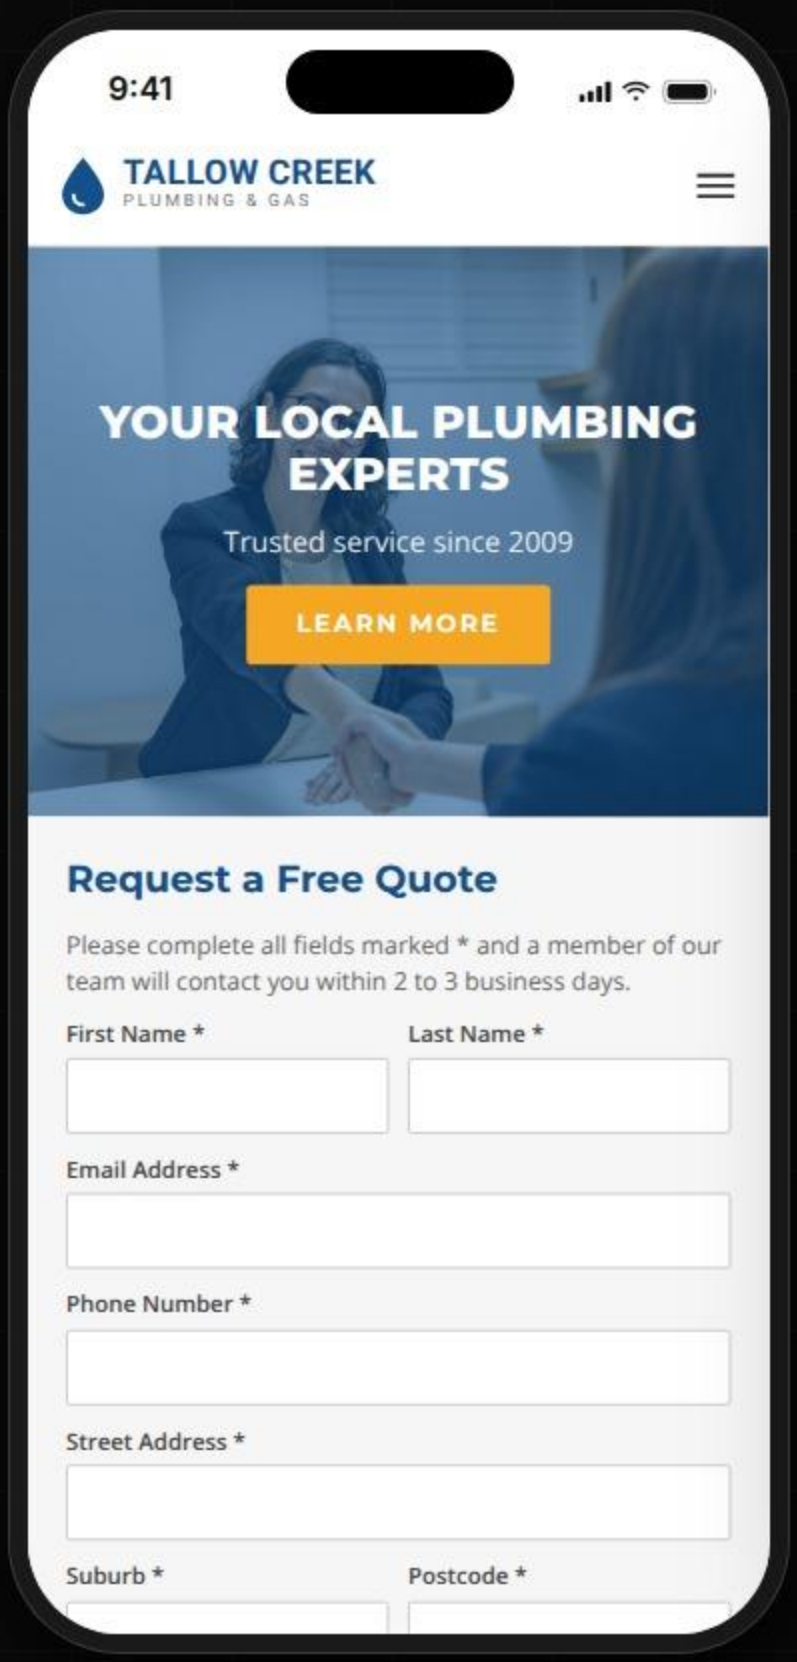

A price request in 20 seconds.

04 Call button that follows

One tap to call, always on screen.

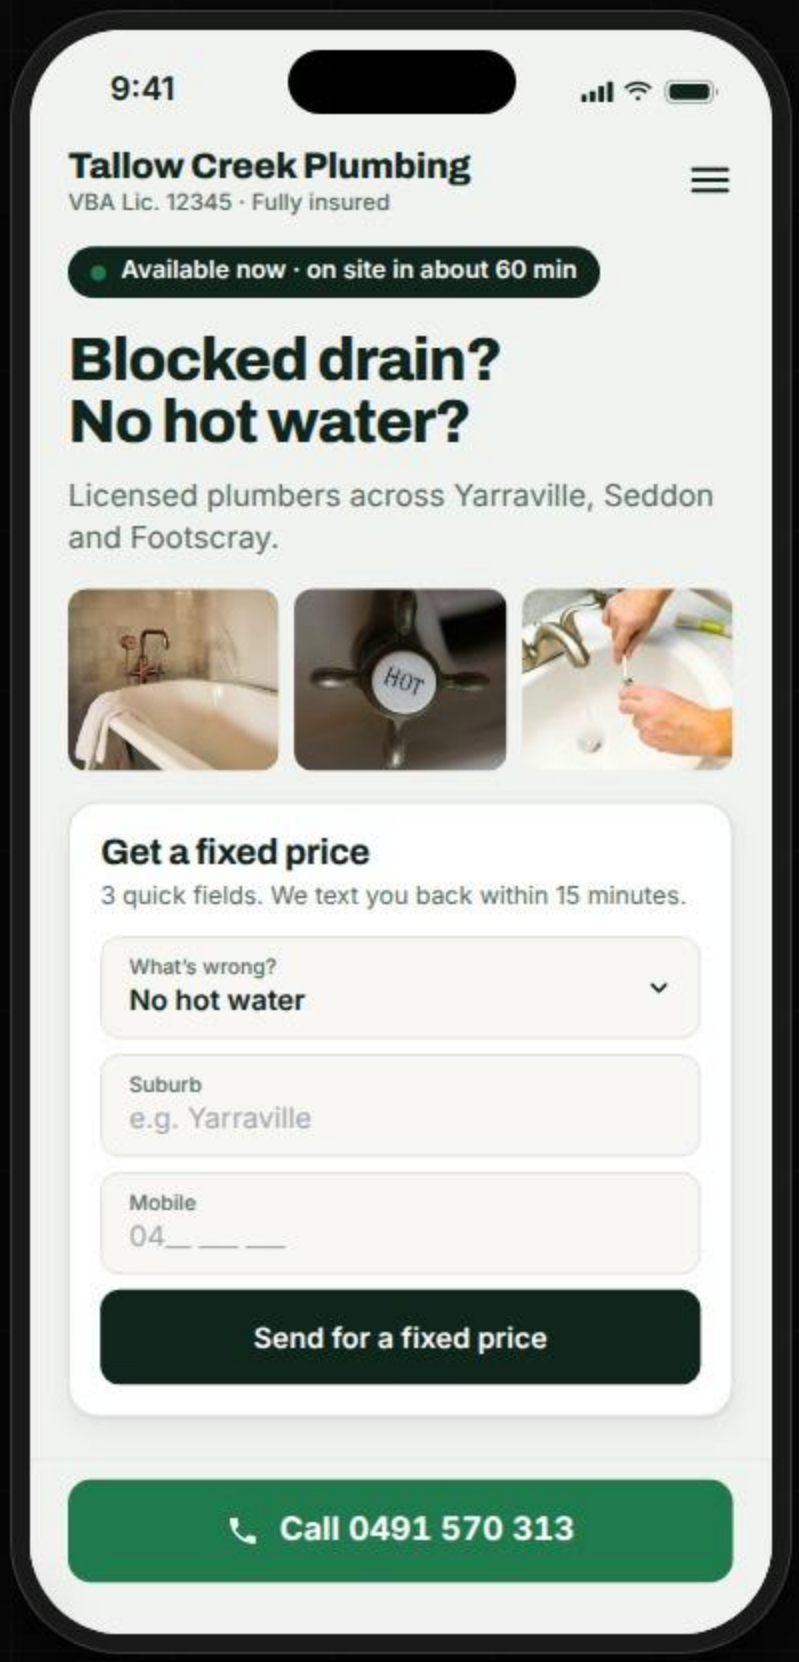

BEFORE

Form reply: 2 to 3 days

AFTER

Reply: about 15 min
