CONCEPT REDESIGN

This bakery still takes orders by PDF.

We would make it one tap. Here is the redesign.

FICTIONAL BUSINESS · NOT A CLIENT PROJECT

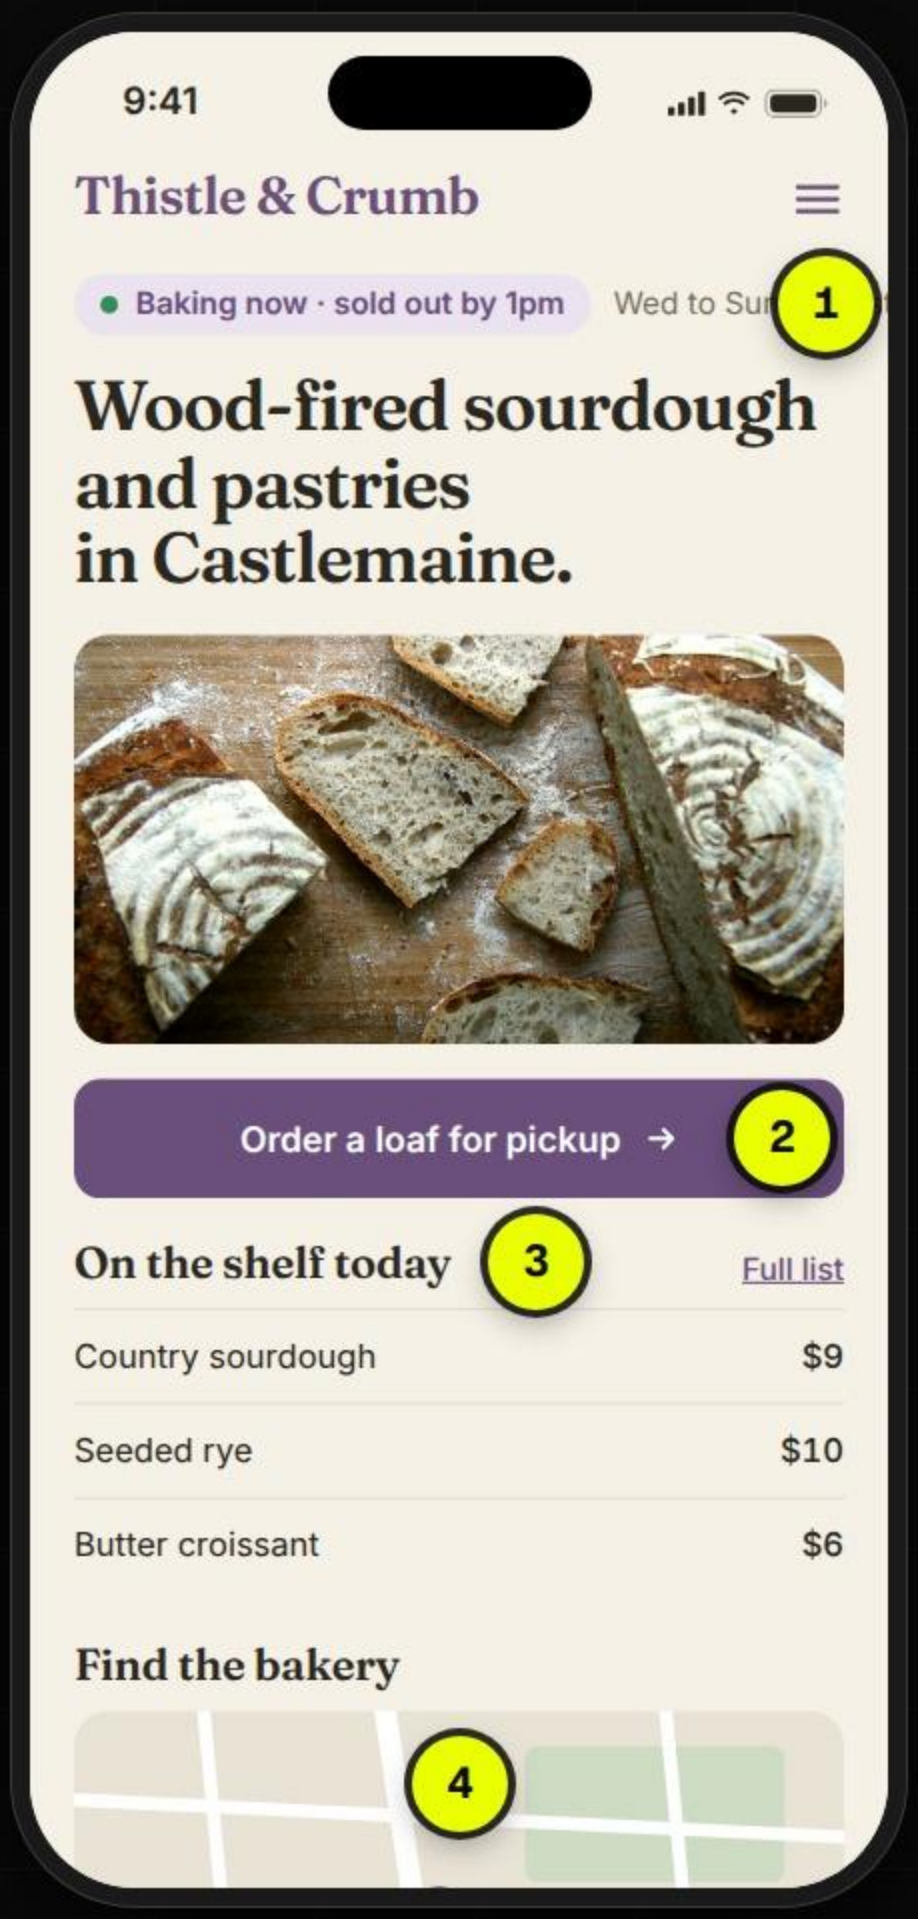

BEFORE

Pretty, but hard work.

01 **Giant hero slider**
Three photos to swipe past first.

02 **Orders via a PDF**
Download, print, fill in, email.

03 **What's baked today?**
No list, just a feed loading.

AFTER

Ordering in one tap.

01 Baking now, up top
Hours and today's bake, first.

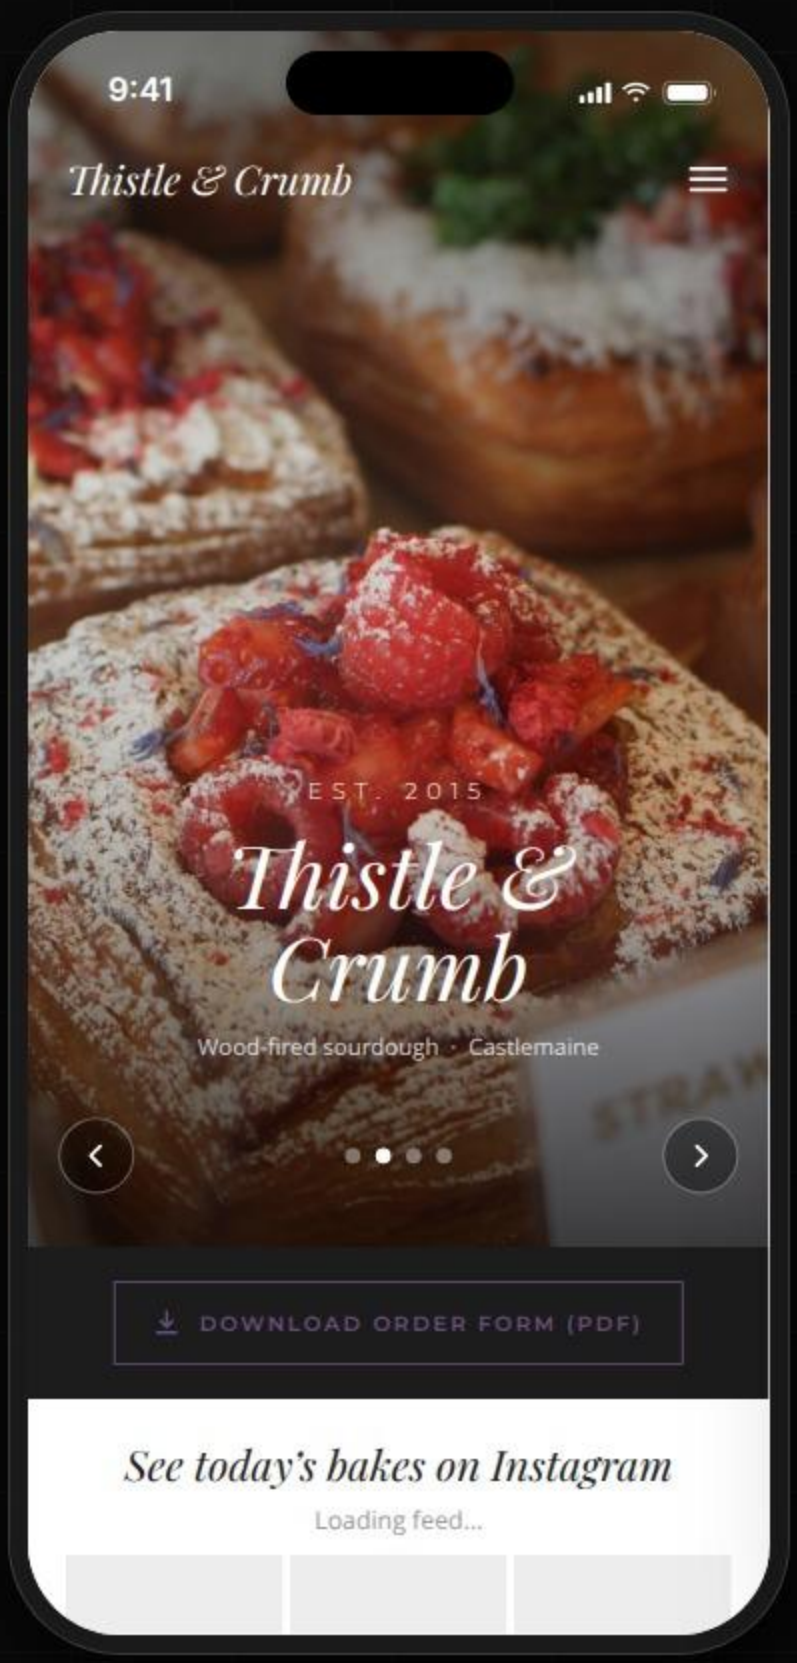

02 Reserve a loaf
One tap to hold bread for pickup.

03 Today's shelf as text
What's baked, in plain words.

04 Find the bakery
A map, no leaving the page.

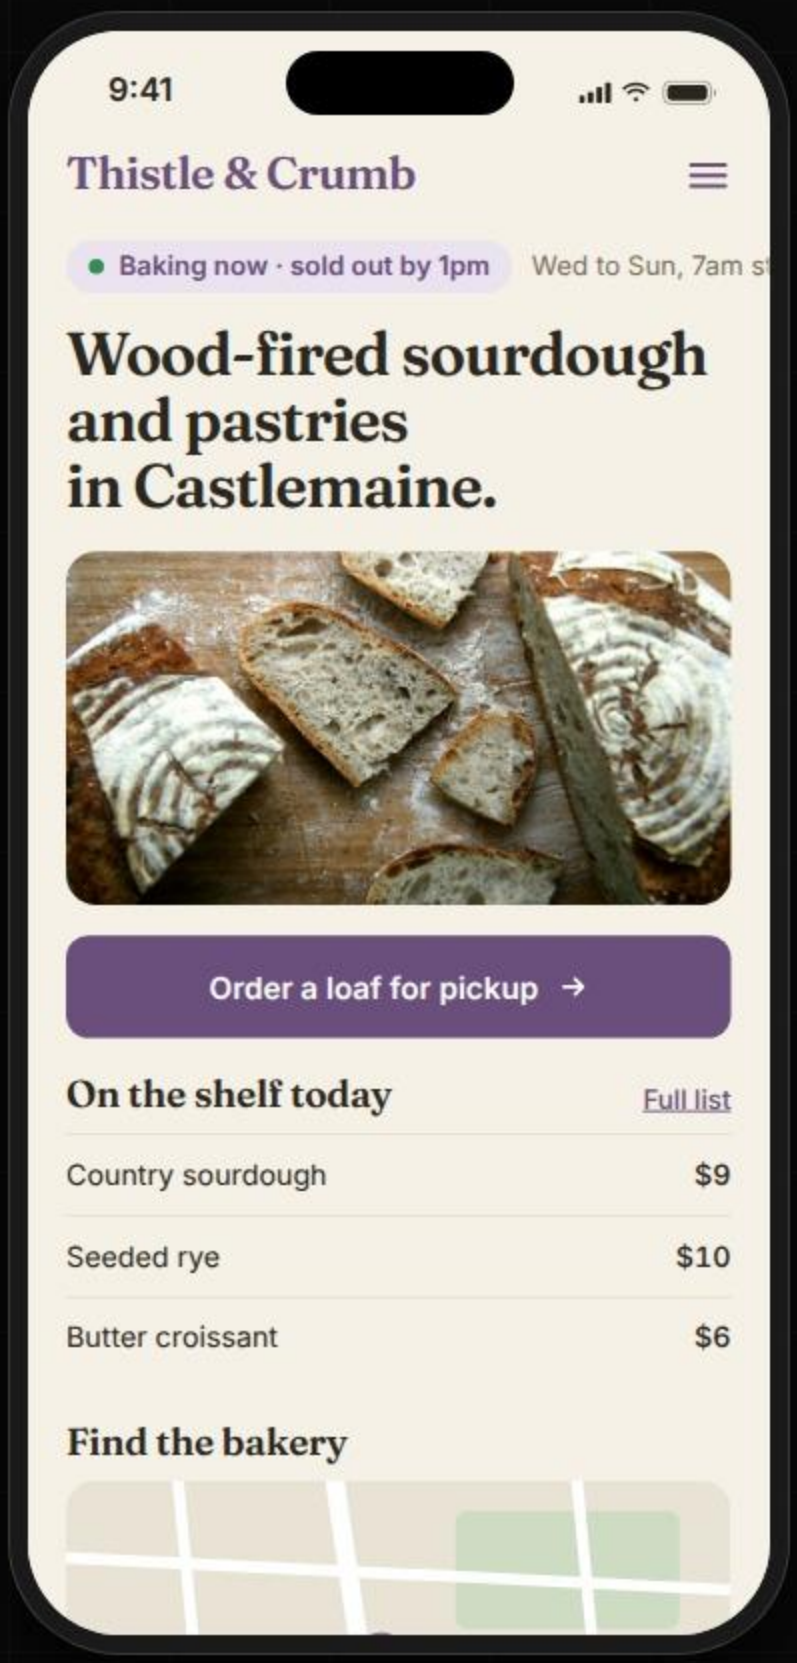

BEFORE

Orders: download a form

AFTER

Orders: tap to reserve

IS YOURS DOING THIS?

We'll show you what to fix first.

A free review of your homepage on a phone. Plain English, no obligation.
